

PRESS RELEASE – FOR IMMEDIATE RELEASE

The European Arenas Association welcomes Navarra Arena as a new member

As the EAA celebrates its 30th year we are delighted to welcome a new venue boosting membership of the Association to 34 arenas across 20 European countries.

New members Navarra Arena, in Pamplona, Spain are a multifunctional, purpose-built venue using innovative technology to host a wide variety of national and international events.

John Langford, EAA President highlighted that “The strength of the EAA comes from the diversity of our members. As we exit the restrictions of the pandemic and look forward to the restart of sport, live music and entertainment programmes in our arenas we are grateful for the shared knowledge and best practice built between us, knowing that having this means we can keep providing great entertainment safely for all those who use our spaces. We’re delighted to welcome new member Navarra Arena, taking the association to 34 members in 20 countries”.

Navarra Arena, Pamplona, Spain opened in September 2018 hosting cultural, sporting, leisure and corporate events in its adaptable event spaces offering capacities of up to 11,800. The building is equipped with the latest technology designed to enhance the efficiency of spaces.

The EAA is proud to extend its membership to include the new Arena, further supporting endeavours that promote communication and best practice between its network of members allowing for a greater depth of knowledge sharing to create a better experience for those using and working within its event spaces.
